How do I

eBay is one of the most popular online marketplaces in the world. With over 180 million active buyers and sellers, it's no wonder that eBay has been around for more than 20 years!

You'll also want to be sure to research your competition on the search engines and see what they're doing so you can set a competitive starting price.

Payment Processing Fees

eBay also offers some options for postage and packaging through their PayPal Here service, which includes discounts for sellers.

Make sure your title is accurate and descriptive. The title needs to be searchable by potential buyers. It also needs to describe why someone would want the item you are selling on eBay; otherwise, it becomes difficult for them to find your listing even if they are interested in buying.

When it comes to shipping items, be aware of the different options available.

eBay payout to the sellers is a critical part of the eBay process. Sellers need

to be aware of the payout option available to them and how to receive their payments.
