[Image] Promising review: "I love this purse! I bought it for my friend's birthday because she loves the look of the purse and it is a nice addition to our closet.

The material is thick and the color is great. I was pleasantly surprised by how well they hold up against the elements. A pair of slipper slippers so you can finally throw your shoes on and start putting on the shoes you already have.

They are the perfect size and are very soft. [Image] Promising review: "I love these shoes." -Alyssa 24.

A pair of high-waisted faux leather loafers with a hidden pocket, because your feet need something to look extra fancy.

Recently my son made a pitcher of lemonade for our family and visiting friends.

It wasn't until after we all had some that he explained that he mixed it by putting his arm, up to his elbow, into the pitcher and swirling it around. If only

I had this 12 Inch Mixing Spoon, I could have been saved from arm-lemonade. Think

about that next time you stop at a kid's lemonade stand...
